## UWI-ROYTEC STUDENT COUNCIL AWARD

The Student Council Award was first granted in 2009 and has continued each year. The award shows a graduate’s perseverance with their academic work which inspired and “sparked the flame of encouragement” for fellow students who were also experiencing similar challenges.

This year, the UWI-ROYTEC Student Council seeks to persist in giving this award. The express purpose is to recognize the contributions of our graduating students who have made significant contributions to student activities and have positively impacted the lives of their colleagues during their enrollment at UWI-ROYTEC.
